Additional Important Information

The building is not rented unattended. Providing for all phases of your event is essential. Based on previous customer event use, we have allotted time for: 1) decorating (**set-up**); 2) the **event** *its self*; 3) and **clean-up** and removal of your items. If you feel you need additional time for any or all of these segments, be sure to schedule additional time in advance.

1) Set-up

All decorations must be pre-approved by event coordinator. Staff will be on-hand to answer questions but it is not their responsibility to assist with decorating. If you need assistance, you may hire additional staff. Arrangements for additional staff must be made prior to scheduled set-up time. Set-up is two hours before your event begins unless other arrangements are made. Silver Dollar staff is not expected to watch client's children while adults are busy decorating. Adult supervision must be proved for children at all times.

2) Your Event

It is our goal to make your event a wonderful memory. Music, food, drink and cordial staff are combined to make your event flow flawlessly and to give you and your guests a wonderful experience.

3) Clean up

This provides time to remove any decorations to be kept, to place all trash in receptacles and to tidy the facility to its original state of use. Sweeping and moping are not required unless confetti type favors are used or unless there is a major spill. Staff will be on-hand to assist with clean up. Client is responsible for the condition of the facility after use and clean up.
